

MEMPHIS ROLLER DERBY

Founded in 2006, we are Memphis' first and only internationally ranked league with Women's Flat Track Derby Association (WFTDA).

Memphis Roller Derby is a skater-owned and operated roller derby community focused on empowering its members through acceptance and expansion of the limits of their bodies, minds, and interpersonal skills. MRD seeks to be inclusive of all body types, genders, sexualities, and socioeconomic statuses while pursuing hard work through collaboration on and off the track.

We are able to offer the unique opportunities for sponsorship listed below, as well as welcoming in-kind trades and donations.
